2008 ELECTIONS

This Voter Guide provides you with information about voting in North Carolina and about the candidates seeking election to the state's two highest courts and the offices of Auditor, Commissioner of Insurance and Superintendent of Public Instruction.

WHO CAN VOTE IN PARTY PRIMARIES?

Voters who are affiliated (registered with a political party) must vote in the primary of the party they are affiliated with.

Voters who are not affiliated with a political party may vote in a party primary as long as that party allows it. At this time, both the Democratic and Republican Parties allow unaffiliated voters to vote in their primaries.

Voters who are not affiliated with a political party are also free to vote a non-partisan ballot in the primary and not participate in a party primary.

N.C. PUBLIC FINANCING PROGRAMS

Candidates for the N.C. Court of Appeals, the N.C. Supreme Court, Auditor, Commissioner of Insurance and Superintendent of Public Instruction can access public financing for their campaigns.

WHAT DOES THE LAW DO?

Candidates may receive public funding if they voluntarily:

- demonstrate public support, by raising a set number of relatively small donations from registered voters,
- accept strict fundraising limits, and
- accept strict spending limits.

If they qualify, candidates stop regular fundraising activities for the general election and use only money provided to them from the Fund. The decision to enroll in this program is purely optional. Candidates can also receive a limited amount of “matching funds” if a nonparticipating opponent or group making independent expenditures in opposition to a publicly-funded candidate exceeds the amount of funding given to the publicly-funded candidate.

WHAT ARE THE APPELLATE COURTS?

Appellate courts hear appeals regarding the decisions made in another court.

The N.C. Supreme Court is the state’s highest court. It hears appeals of cases from the Court of Appeals and of cases in which the death penalty has been imposed. There is no further appeal in North Carolina of its decisions, but in limited instances involving federal law, the U.S. Supreme Court may consider appeals from the North Carolina court.

Like the Court of Appeals, the N.C. Supreme Court has no jury. Its chief justice and six associate justices hear all cases together, as one sitting court. They consider errors in legal procedures or in interpretation of the law by a lower court.

For a list of candidates participating in public financing programs, see the State Board of Elections’ website at www.sboe.state.nc.us

The N.C. Court of Appeals hears appeals of all kinds of decisions of the state Superior and District Courts (the trial courts), from divorce and family cases to business and tax cases. It also hears appeals from state administrative agencies. There are no juries in the Court of Appeals. The 15 judges sit in rotating panels of three, considering errors in legal procedures or in judicial interpretation of the law. If a vote is 2-1, the losing party has an automatic right to appeal the decision to the N.C. Supreme Court.

WHAT ARE THE DUTIES OF THE AUDITOR?

The Office of the Auditor serves to monitor and audit State government by providing citizens, legislators, and government officials with professional, independent evaluations of the State’s financial records and public program performance. The State Auditor also assesses the security and integrity of the State’s information technology systems, as well as providing monitoring and technical assistance for private non-profit recipients of State grant funds.

WHAT ARE THE DUTIES OF THE COMMISSIONER OF INSURANCE?

The Commissioner of Insurance heads the Department of Insurance, which regulates the insurance industry, licenses insurance professionals and others, educates consumers about different types of insurance, handles consumer complaints, and interprets the state’s building codes. The Commissioner of Insurance also serves as the State Fire Marshall.

WHAT ARE THE DUTIES OF THE SUPERINTENDENT OF PUBLIC INSTRUCTION?

The State Superintendent heads the N. C. Department of Public Instruction. The Department of Public Instruction is the agency charged with implementing the State’s public school laws and the State Board of Education’s policies and procedures governing pre-kindergarten through 12th grade public education. The State Superintendent of Public Instruction functions under the policy direction of the State Board of Education.

HOW ARE THE PROGRAMS FUNDED?

FUNDING PROGRAM FOR CANDIDATES FOR N.C. SUPREME COURT AND COURT OF APPEALS

The North Carolina Public Campaign Fund is not funded by the General Fund of North Carolina. In addition to distributions to qualified candidates, all expenses for the program's implementation, including staff and voter guide production and distribution, are paid by the Public Campaign Fund.

There are six sources that provide revenue to the Fund:

- The **first source** deposited into the Fund was the balance of the North Carolina Candidates Fund. This fund is no longer operational.
- The **second source** to be deposited into the Fund will be designations to the Public Campaign Fund by taxpayers. This is achieved through a positive check-off of three dollars on an individual's income tax form.
- The **third source** is from attorneys paying a \$50 surcharge at the time of payment for their privilege license to practice law in North Carolina. This surcharge is mandatory.
- The **fourth source** is from Fund revenues that were distributed to candidates but were not spent or committed at the time a candidate is no longer considered a certified candidate. These funds are required to be returned by the candidate.
- The **fifth source** would be from any funds ordered to be returned to the Fund as a result of a violation by a "participating candidate" in the Program.
- The **sixth source** is from any voluntary donation made directly to the Public Campaign Financing Fund. Any corporation, business entity, labor union, or professional association may voluntarily make a donation of any amount to this Fund.

FUNDING PROGRAM FOR CANDIDATES FOR AUDITOR, COMMISSIONER OF INSURANCE AND SUPERINTENDENT OF PUBLIC INSTRUCTION

There are five sources of revenue for the North Carolina Voter-Owned Elections Fund. In addition to distributions to qualified candidates, all expenses for implementation, including staff, administrative, and enforcement costs, are paid for by the North Carolina Voter-Owned Elections Fund.

Revenue for the Fund is provided through the following means:

- The **first source** is from any voluntary donation made directly to the Voter-Owned Elections Fund.
- The **second source** is from appropriations from the General Fund. The legislature appropriated \$1,000,000.00 for the 2007-2008 fiscal year and \$3,580,000.00 for the 2008-2009 fiscal year for the implementation of the Voter-Owned Elections Act.
- The **third source** is from Fund revenues that were distributed to candidates but were not spent or committed at the time a candidate is no longer considered a certified candidate for that election.
- The **fourth source** is any funds ordered to be returned to the Fund as a result of a violation by a participating or certified candidate in the Program.
- The **fifth source** is from money paid to the Fund as a result of a candidate forfeiting funds in excess of the \$20,000 cap on contributions and expenditures between August 1st of the year before the election and the date of declaring a candidate's intent to participate in the Program.

I was born and raised in Greensboro, North Carolina. I am a graduate of Duke University and Wake Forest University School of Law.

I have practiced law for over nineteen (19) years. I have represented individual and business interests in many diverse areas. My experience includes extensive representation of clients in criminal and civil matters. PERSONAL STATEMENT (by candidate): I believe that the essential role of a judge is to render a just and impartial decision, based on the facts and the law. I also believe that a judge must demonstrate sincere respect and compassion for all those parties whose rights and welfare will be impacted by his decisions.

I believe in "Judicial Humility" as opposed to "Judicial Arrogance", "Judicial Restraint" as opposed to "Judicial Activism". I believe that judges have no popular mandate to act as policy makers; rather, judges should defer to the elected branches of the federal and state governments with respect to policy so long as they stay within the confines of their powers as defined by the U.S. and state constitutions.

I welcome North Carolina voters to learn more about my background, my experience and my judicial philosophy by visiting my campaign website at Poirier4justice.com.

TWO NC COURT OF APPEALS SEATS ARE ON THE 2008 PRIMARY ELECTION BALLOT

Three candidates have filed for one N.C. Court of Appeals seat. Their profiles are shown on this page and the facing page. Voters may vote for one of the following individuals (listed in ballot order):

- Jewel Ann Farlow
- Dean R. Poirier
- James A. (Jim) Wynn

Four candidates have filed for a separate N.C. Court of Appeals seat. Their profiles are shown on the following two pages. Voters may vote for one of the following individuals (listed in ballot order):

- Sam J. Ervin, IV
- Janet Pueschel
- Kristin Ruth
- John M. Tyson

WHAT IS THE \$3 CHECK-OFF?

When you fill out your state income tax form, you can check a box for the N.C. Public Campaign Fund. If you check Yes, \$3 will go to the Fund. (Checking Yes does not change a person's tax bill or refund; it just allocates \$3 of taxes being paid to the Fund.) The "check-off" is the major source of revenue for the Public Campaign Fund and for this Voter Guide. Other sources include:

- a surcharge on attorneys' State Bar dues,
- money returned to the Fund from candidates,
- donations made to the Fund.

N.C. COURT OF APPEALS

SAM J. ERVIN IV

Place of residence: 517 Lenoir Street, Morganton, NC 28655.

Education: I graduated from Freedom High School in Morganton in 1974. I earned an A.B., magna cum laude, from Davidson College in 1978 and a J.D., cum laude, from Harvard Law School in 1981.

Occupation: Commissioner, North Carolina Utilities Commission

Employer: North Carolina Department of Commerce—Utilities Commission

Date admitted to the Bar: 1981

Legal/Judicial Experience: I practiced law in Morganton from 1981 until 1999. During that time, I handled a wide variety of matters, including numerous appeals to the Court of Appeals and the Supreme Court. In 1999, I became a member of the Utilities Commission, a quasi-judicial body that regulates investor-owned electric, natural gas, telephone, and water and sewer companies. As part of its work, the Utilities Commission conducts hearings, rules on procedural motions, decides complex questions of law and fact, and issues detailed written orders that can be appealed to the appellate courts.

PERSONAL STATEMENT (by candidate): The law is the glue that holds our society together. In order for the law to play its intended role, it must be applied dispassionately, fairly, and conscientiously. A case that reaches the Court of Appeals is a major event in the life of the people involved. The Court of Appeals is the last real opportunity that most people have to be heard in our courts. The decisions of the Court of Appeals also affect countless other cases across the State. Those facts make the Court of Appeals a uniquely important part of North Carolina's judicial system. If I am elected to the Court of Appeals, I will study the facts of each case carefully, thoroughly review the applicable law, and attempt to make a decision based on a careful analysis of the statutes enacted by the General Assembly and the prior decisions of the appellate courts.

JANET PUESCHEL

Service of Excellence Award, NC Child Support Council, (2000); American Business Woman of The Year (2003); Judge of the Year, Federal Office of Child Support Enforcement (2004).

PERSONAL STATEMENT (by candidate): Ten years as a trial judge have prepared me for the appellate bench, where I can draw on my experience and understanding of how appellate decisions are applied in courtrooms every day.

While listening to thousands of difficult cases each year, my goal has been to carefully examine each case and give thoughtful consideration to each decision. As a result of my work and efforts in the child support court and family arena, I have been recognized by my peers by receiving Judge of the Year and Service of Excellence Awards.

I believe I am fair, impartial and follow the law as written and that my decisions reflect the same. Being professional and treating each person in my courtroom with respect is of utmost importance. I will continue to mentor and reach out to young people while honoring my profession and the judiciary.

HOW CAN CANDIDATES SPEND PUBLIC FUNDS?

All candidates in North Carolina must limit their expenditures to purposes permitted under the law. Permitted purposes are:

- Expenditures resulting from the campaign for public office by the candidate or candidate's campaign committee. The general rule for determining whether an expenditure is for this purpose is to determine if the expenditure would have been made absent of the campaign for public office. If the answer is "yes" to that question, then the expenditure should not be made.
- Expenditures resulting from holding public office. As discussed above, if the expenditure would have been made absent the candidate holding public office, then the candidate should not use campaign funds to make the expenditure. If the expenditure would only be made due to the fact the candidate is holding office, then the expenditure would be permitted.
- Contributions to an organization described in section 170(c) of the Internal Revenue Code, provided that the candidate, the candidate's spouse, children, parents, brothers, or sisters are not employed by the organization.
- Contributions to a national, State, or district or county committee of a political party or a caucus of the political party.
- Contributions to another candidate or candidate's campaign committee.
- Refunds of all or a portion of a contribution to the contributor.
- Payments of any penalties against the candidate or candidate's campaign committee for violation of this Article imposed by the Board of Elections or a court of competent jurisdiction.
- Payments to the Escheat Fund established by Chapter 116B of the General Statutes.

Candidates participating in public funding follow stricter guidelines. In addition to the limits listed above, candidates participating in public funding voluntarily agree to limit their expenditures according to guidelines set by the Advisory Council and the State Board of Elections. Nonparticipating candidates are not limited to the expenditure guidelines. However, these candidates are still limited to the expenditure purposes listed above.

EXPENDITURES ALLOWED UNDER PUBLIC FUNDING PROGRAMS:

- Advertisement expenditures including all "print media"
- Campaign headquarters expenses including lease and utilities
- Office supplies for administration of current campaign
- Campaign staff expenses including salaries and food for staff and/or volunteers
- Travel expenses for candidate and staff including mileage, lodging and reimbursement for campaign events and appearances
- Consulting services, accounting services, clerical services, polling and other campaign advisory services
- Candidate may jointly pay for media expenses as long as each candidate pays an equal amount so that no candidate receives an in-kind contribution.
- Purchase of tickets to attend events for the purpose of campaigning, the cost of which are reasonably related to the benefits received. (*An expense of \$200 or less is presumed reasonable.*)
- Any expenses incurred by the candidate for fundraising activities for the current campaign.

EXPENDITURES PROHIBITED UNDER PUBLIC FUNDING PROGRAMS:

- Expenditures to any political party or political committee, except as provided by these guidelines
- Independent Expenditures
- Loans not associated with the current candidacy
- Any gift to another that is not given for a campaign-related purpose
- A capital asset that is not used to promote the current candidacy
- Any civil penalty or costs incurred as a result of civil penalties assessed against the candidate or committee

As State Auditor, my top priority will be to ensure transparency, accountability, and responsibility in State Government and the tax dollars that it spends, and to eliminate waste, fraud, abuse, and corruption. Making sure our tax dollars are spent wisely and work well in programs passed by lawmakers will be the cornerstone of my service. My unique skills (Legislative Fiscal/Budget Analyst, operational authority as Chief Deputy and Deputy Secretary of two large agencies, and military experience) distinguish me from anyone else in this race for State Auditor.

PERSONAL STATEMENT (by candidate): With Insurance Commissioner JIM LONG's endorsement, I pledge: low insurance rates for consumers and businesses, and a competitive, stable insurance market; a stronger voice for firefighters as State Fire Marshal; and, to fight insurance fraud. My public service and private sector experience make me best prepared. I am the only candidate fully understanding the Commissioner's job. My years as Assistant Insurance Commissioner and legislator provide skills that'll help keep rates low. I persuaded the legislature to expand monetary grants for fire departments statewide. That helps keep homeowner's insurance rates low. What distinguishes me from my opponent? I am NOT affiliated with the insurance industry. I am for "the People." I'm the first Insurance Commissioner candidate to refuse special interest money, and the first to accept fundraising limits. My opponents continue to accept special interest money. It will be my honor to continue Jim Long's legacy. I ask for your vote.

Loretta M. Martin, NCAE Past President

PERSONAL STATEMENT (by candidate): It has been my honor to serve our 1.4 million children as State Superintendent of Public Instruction since 2005. I will continue to focus on graduating all of our students from high school prepared for work, further education, and citizenship. I will focus on all students being excellent readers and having access to technology. All educators must be appreciated and paid well. Educators must work in schools where students demonstrate respect and personal responsibility. To meet these goals, we must continue to build partnerships with parents, business people, and interested citizens and make major changes in No Child Left Behind.

My visits to all 115 school districts, public school teaching, and educational administrative experience have prepared me to continue to lead North Carolina schools. I have talked about ways that our schools must improve. More importantly, I have led efforts to make important educational changes that have benefited students.

HOW TO VOTE: Are You a Registered Voter in N.C.?

YES

If you say YES,
here's how to vote

THREE WAYS TO VOTE IN N.C.

1. IN PERSON, ON ELECTION DAY

Vote at your assigned polling place. You will be asked to sign the pollbook before you vote. The polls open at 6:30 a.m. and close at 7:30 p.m. If you are in the line by 7:30, you will still be able to vote.

2. IN PERSON, BEFORE ELECTION DAY

From April 17 to May 3 at 1:00 pm (Some counties may be open to 5:00 pm, check with your county), you can register and vote at a site in your county where you can request and cast a "One-Stop absentee ballot." Every county has at least one site for One-Stop absentee voting; some have sites open beyond normal business hours. You do not need an excuse for voting early. To find out where and when One-Stop absentee voting is available, contact your county board of elections.

3. BY MAIL-IN ABSENTEE BALLOT

You can request an absentee ballot — no excuse is needed — but the county board of elections must receive the request by 5 p.m. on April 29. It must be a written request from you or a near relative, or on a form provided by your county's board of elections, and must be signed by you or by a near relative (a near relative is a spouse, brother, sister, child, parent, grandparent, grandchild, stepparent, stepchild, or mother-, father-, daughter- or son-in-law). All absentee requests should be mailed or hand-delivered to the appropriate county board of elections office.

3, CONTINUED:

A voter or qualified near relative may also request an absentee ballot request form by e-mailing or faxing their county board of elections office. A request for an absentee ballot in an election should include: Your name, date of birth, residence address, address the absentee ballot should be mailed to, and the near relative's contact information and relation to you. The absentee ballot will be mailed directly to the voter. The county board of elections must receive it back by 5 p.m. on the day before the election.

YOU MAY REGISTER TO VOTE IN NORTH CAROLINA IF YOU ARE:

- a United States citizen
- 18 years of age or older or will be by the date of the next general election
- a resident of North Carolina and the county precinct where you want to vote for at least 30 days before the election
- not a convicted felon still in custody, on probation, or on parole. If you've served all parts of your sentence, you can register. Contact your local board of elections for more details.

WHAT ARE YOUR RIGHTS AND RESPONSIBILITIES AS A REGISTERED VOTER IN NORTH CAROLINA?

RIGHTS

If you properly register, you have the right to vote:

- Without being intimidated, coerced or threatened by any person.
- In an accessible polling place.

- With the assistance that you request, as authorized by N.C. law.
- Without discrimination related to disability, race, ethnicity, or literacy.
- Even if you were convicted of a misdemeanor or, in the case of a felony conviction, if you have served all parts of your sentence.
- By a challenged ballot, if your eligibility to vote is challenged and sustained.

RESPONSIBILITIES

As a voter, it is your responsibility to:

VOTING ACCESSIBILITY

POLLING PLACES

Polling sites are required to be accessible. Precincts must provide access on a permanent or temporary basis on Election Day. Other voting options are available for persons with disabilities, but are not substitutes to an accessible voting location. The North Carolina State Board of Elections has:

- Surveyed and photographed every North Carolina polling place as to accessibility needs.
- Made grants to county boards of elections to improve accessibility based upon these surveys.
- Posted digital pictures on its website of every polling place's pathways, interior and exterior. Voters can access these photos at www.sboe.state.nc.us and entering their information in the "Checking Your Voter Registration" Quick Link.

VOTER ASSISTANCE

A voter's close family members are allowed to help the voter enter the voting booth, prepare the ballot and exit the voting booth.

A voter in any of the following four categories is entitled to assistance from a person of the voter's choice if the voter:

- is unable to enter the voting booth without assistance due to a physical disability;
- is unable to mark a ballot without assistance due to a physical disability;
- Is unable to mark a ballot without assistance due to illiteracy; or
- is unable to enter the voting booth or mark a ballot without assistance due to blindness.

Assistance cannot be provided by the voter's employer, an agent of that employer, or an officer or agent of the voter's union.

CURBSIDE VOTING

Curbside voting is offered at each polling location. A voter can vote while in a vehicle outside the polling location. This includes all one-stop absentee (early) voting sites. A curbside voter has the same rights to assistance as any other voter.

MAIL-IN ABSENTEE VOTING

Voting a mail-in absentee ballot at home is another option used by voters regardless of disability.

VOTING EQUIPMENT

Both federal law and state requirements mandate that voting systems be equipped for voters with disabilities, which allows such voters to have the same opportunity for access and participation as non-disabled voters have. It is required that every precinct must have at least one accessible voting machine available for use by voters with special needs. This includes all one-stop absentee (early voting) sites.

Direct Record Electronic (DRE) touch-screen voting machines offer audio cue capacity for the visually impaired that allows the machine to mark the electronic ballot based upon the voter's instructions. The DRE machine will also produce an oral report to the voter as to the choices selected prior to the voter casting the ballot.

Optical Scan voting systems where marked paper ballots are submitted into a tabulator by the voter can use paper ballots marked for the voter by AutoMark marking devices that also use audio cue capacity for the visually impaired. The AutoMark also has a feature that will greatly magnify the ballot for voters that have limited visual impairment. There is a page on how to use the AutoMark in the back of this voter guide. The AutoMark will also produce an oral report to the voter as to the choices selected prior to the voter casting the ballot.

The North Carolina State Board of Elections is committed to making voting accessible for all voters. Please let us know how we can improve accessibility.
